

Data-sheet

Product	technical datas	Options	Standards
SM43 Desktop/Wall adapter Version	Input voltage 100 – 240 V/AC	country specific versions plug adapters EU flat plug, UK and US	EN61000-4-2
	Output voltage 29VDC	other country adapters/cable on request	UL1310
	output short-circuit protection		EN55014
	Over current protection		EN55022
	Over voltage protection		EN55024
	Over temperature protection (Safety NTC-temperature-sensor)		FCC
	Cut off current approx.8A		EN60950
	Power around 160W		
	Efficiency Level VI		
	Stand by Power < 0,3W		
	Protection type IP20		
	Protection class II		
	Intermitted mode with 10 % duty cycle with max. continuous use of 2 min		
	Housing colour black RAL 9005		
	LED "ON" indicator (green)		
	Plug-in power cable on secondary side C7 outlet		
	Plug-in country adapter for Wall adapter applications		
	Dimensions (l×w×h) 118mm×60mm×39mm		
weight 250g			

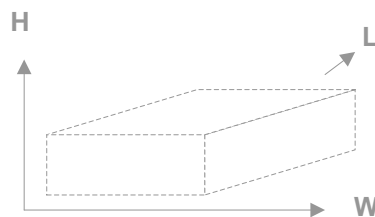

Switch mode power supply, SM43

Option: country adapter EU, US, UK
